

Dear Customer

KOHZU Precision Co., Ltd.

Announce of Connector change for standard cables

Thank you for using our products.

Due to the delay in delivery of the connectors used for our standard cables due to the recent difficulty in obtaining them, we would like to inform that we will support with substitute products as follows.

Although the models are changed, there is no change of the specifications and the performances.

We apologize for the inconvenience and thank you for your understanding.

① Cable for our standard controllers

Length (m)	Cable type	Present model	Substitute model
3	Fixed	CB1503	CB1503C
	Robot	RCB1503	RCB1503C
5	Fixed	CB1505	CB1505C
	Robot	RCB1505	RCB1505C
10	Fixed	CB1510	CB1510C
	Robot	RCB1510	RCB1510C

② Cable for motor driver (without one side connector, flying cable)

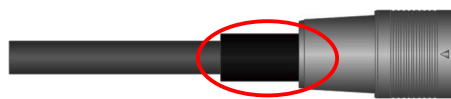

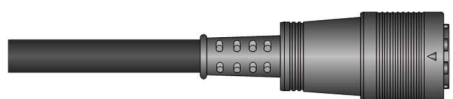

Length (m)	Cable type	Present model	Substitute model
3	Fixed	CB03VL	CB03VLC
	Robot	RCB03VL	RCB03VLC
5	Fixed	CB05VL	CB05VLC
	Robot	RCB05VL	RCB05VLC
10	Fixed	CB10VL	CB10VLC
	Robot	RCB10VL	RCB10VLC

【Changes】 (Common to ① and ②)
